

The Port of Yokohama and the Port Authority of Thailand celebrated the 10th anniversary of their partnership port collaboration!

The City of Yokohama concluded a memorandum of understanding on partnership port cooperation with the Port Authority of Thailand* in April 2014. In January 2015, a letter of intent was signed regarding specific initiatives and we have been deepening exchanges through training and seminars at both ports. This year, the Port of Yokohama and the Port Authority of Thailand celebrated the 10th anniversary of their partnership port collaboration in a ceremony held on Wednesday, January 22, in Yokohama. Among the guests in attendance there was the deputy Prime Minister and Minister of Transport, the Permanent Secretary of Ministry of Transport, the Chairman of board of commissioners, and the Director General of Port Authority of Thailand.

1 About the 10th Anniversary Celebration of Partnership Port Cooperation

From left to right: Director General of PAT, Permanent Secretary of Ministry of Transport, Deputy Prime Minister, Director General of Port and Harbor Bureau of the City of Yokohama, Representative of YPC, President & CEO of YKIP

2 Letter of Intent (LOI)

The Letter of Intent confirms the exchange of information and mutual cooperation in specific areas. As the agreement expired in 2024 after a five-year period, it was renewed after discussions with the Port Authority of Thailand, with an additional clause regarding the promotion of information exchange on green ports, decarbonization innovation, and digitalization, and further deepening cooperation and promotion of solutions to issues in both ports.

*Port Authority of Thailand, PAT

An agency that oversees the main ports of the Kingdom of Thailand, Laem Chabang Port, Bangkok Port, and regional ports. It is an organization under the jurisdiction of the Ministry of Transportation and is both the port management body and terminal operator.
