The screenshot shows the homepage of the Yokohama City Statistical Portal. At the top, there is a navigation bar with the city name '横浜市' and a search function. Below this, the main heading reads '統計情報の総合窓口 横浜市統計ポータルサイト'. A search box is provided for site-wide searches. A horizontal menu lists various statistical categories: 'トップ', '主な統計調査結果', '横浜市統計書', '大都市比較統計年表', '市民経済計算', and 'その他'. On the left side, there are several informational boxes: one for the latest population estimate as of December 1, 2024 (3,732,092 people, 1,661,280 households), an 'OPEN DATA 統計横浜' logo, a '記者発表' (Press Release) section, and a 'カテゴリ' (Category) list including '主な統計調査結果', '横浜市統計書', '大都市比較統計年表', '市民経済計算', and 'その他'. The main content area is titled '横浜の人口' (Yokohama's Population) and features a sub-menu with '推計人口', '登録者数', 'むかしの人口', and 'お知らせ'. The main text explains that the data is based on national surveys and includes birth, death, and migration. It lists four main sections: 1. Population News (updated monthly), 2. Population Trends and Age-Specific Population (updated annually), 3. Age (5-year age groups) and Gender-Specific Population (updated annually), and 4. Metropolitan Area Population (updated monthly). Each section includes links to the latest news and PDF versions, as well as historical data. A list of districts is provided for navigation.
